As a member user of our internet branch service, you agree to receive your credit union statement via e-statements through this service rather than the US mail. You will receive an e-mail informing you when your statement is ready. You may then log in on our site, click on E-Statements and view your statement. You can print a hard copy of your statement if needed.

Along with the convenience of online statements, another great benefit of this service is that you will have access to the last 12 months of statements at all times. No need to call the credit union and pay for copies of lost statements.

Please keep the credit union informed of any new e-mail addresses. If you have any questions just email us at slefcu@slefcu.org or call us at (281) 242-2322.

I agree to receive the agreement and initial disclosure electronically. After I have carefully read the agreement in its entirety, I will be asked to consent to the terms and conditions of the agreement. (It is suggested that you print a copy for future reference.)
